Dear Interested Party:

The Town of Orangetown Highway Department, in conjunction with the Department of Environmental Management and Engineering and the Rockland County Department of Public Transportation have prepared a public informational briefing for the Orangetown Commuter Parking Facility Project to be located at 650 Route 340 in Sparkill, NY.

The briefing will take place on May 5, 2021 at 6:00 PM and be held in the parking lot of the Palisades Sparkill Baseball League across from the American Legion, John M. Perry Post #1044, 620 Route 340, Sparkill, NY.

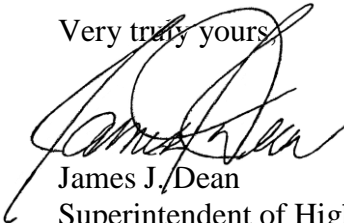

The purpose of the briefing is to obtain comments on the proposed project from individuals, groups, officials and local agencies.

The project design and plans are accessible via the following website, <https://www.orangetown.com/groups/department/highway/>.

Project design and plans can also be accessed and reviewed in-person at: the Orangetown Highway Department (119 Route 303, Orangeburg, NY 10962) between the hours of 8am and 3:30pm (Monday to Friday). Comments can be handwritten and submitted at the time or submitted afterward through Friday, May 14, 2021. Please note that persons reviewing the project plans at the Highway Department will be subject to County Covid-19 protocol, which includes wearing an approved face covering and receiving a non-invasive temperature check upon entering the premises.

I hope you will be able to attend this meeting. If you have any questions regarding this or any other highway related matter, please contact Stephen F. Munno, Sr. Administrative Assistant at (845) 359-6500 or you may reach him via e-mail at highwaydept@orangetown.com.

Very truly yours,

James J. Dean

Good Evening Supervisor Kenny, members of the Town Board and members of the public:

As the Supervisor's office has received a few questions regarding filming – the interruption of and the cost effectiveness in Orangetown, I thought it best to give a break down of revenue regarding the first quarter.

Through March 31st:

Permits issued: 55

Film Revenue: \$ 156,825.00

Police Revenue: \$ 132,431.25

(Police revenue fees are based on the hourly rate for a police officer, as well as their benefits.)

Compared to 2020, first quarter:

Permits issued: 17

Film Revenue: \$ 64,650.00

Police Revenue: \$ 89,337.50

Compared to 2019, first quarter:

26

\$ 77,550.00

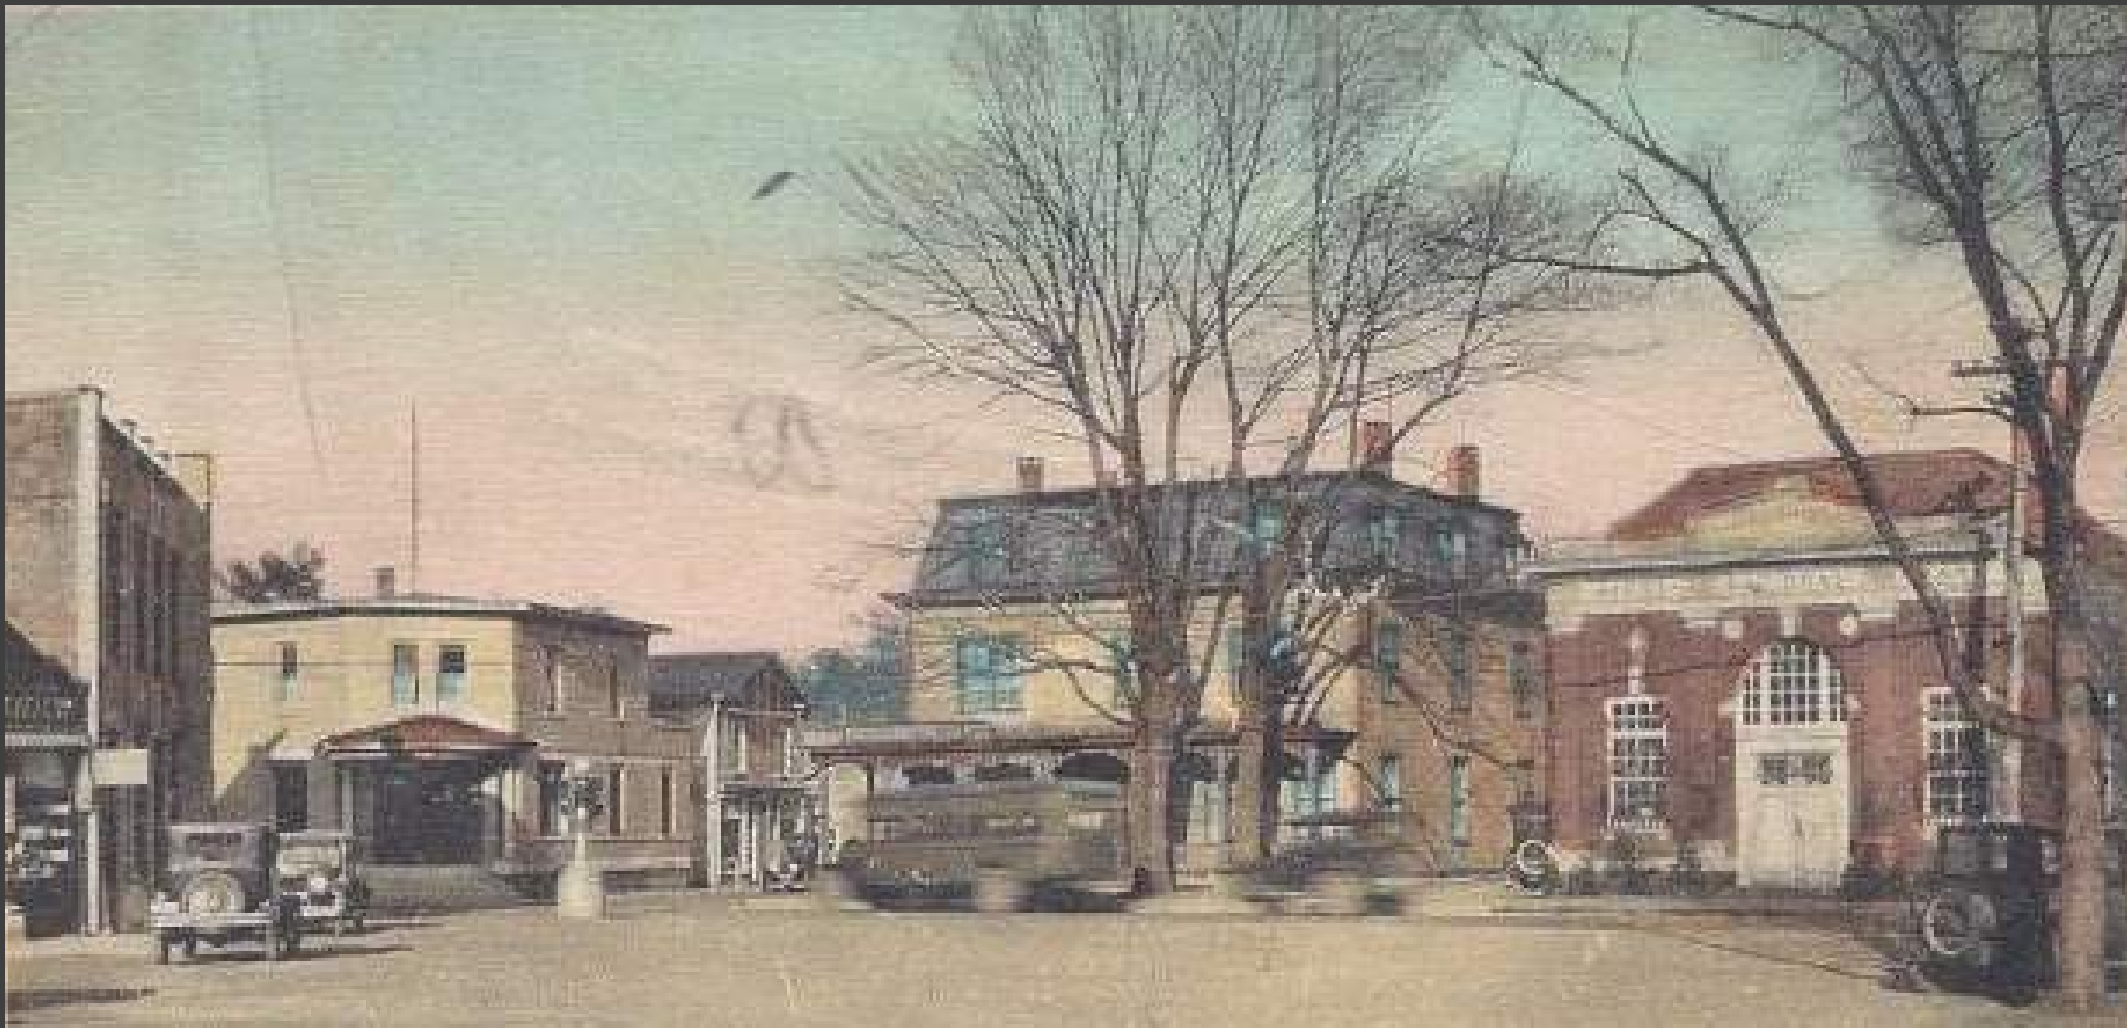

\$ 54,381.25

(Police revenue fees are based on the hourly rate for a police officer, as well as their benefits.)

The majority of filming has come from television shows – FBI Most Wanted, The Blacklist, Manifest and The Prodigal Son. The town has been host to commercials as well – Butterfinger, Dicks Sporting Goods and some medical labs, to name just a few.

With tv shows starting to wrap up their seasons, we have noticed that more commercials and movies are now requesting film permits in our area. The good news with movies is that they tend to stay in one place for a longer period of time, as opposed to television shows, which are constantly moving about our town.

With heavy restrictions still in place in New York City and dealing personally with location scouts and producers, all appear to be very happy filming in Orangetown. Periodically I receive cold calls from producers who have read great reviews about the Town of Orangetown on various social media pages and they can't wait to do business in Orangetown. The film companies have shot in all seven hamlets (as well as the Pfizer and HNA complex's) and every time they come back, they find another hidden gem. I know how happy I am when I sit down to watch a show and I recognize our hamlets on a nationwide show.

INSPIRATION FOR SPARKILL MEWS

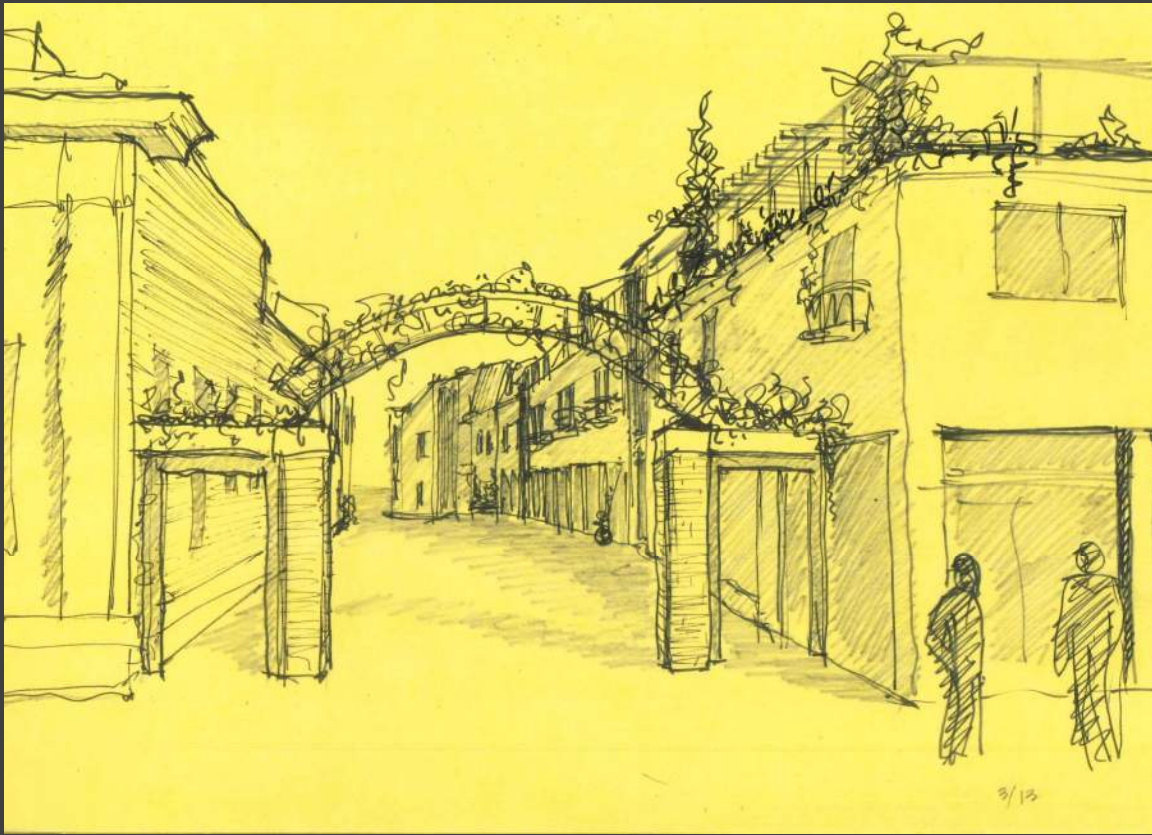

Sparkill Mews

is a mixed use, Net-Zero, residential and commercial development proposed for the former Chase Bank property in Sparkill Center. The site is in the Overlay District which encourages a more flexible interpretation of zoning regulations for new development in historic hamlets.

Apartments are sited along a private, pedestrian-scaled street that connects Main Street with Paulding Place. Along Main Street, the proposed new construction reflects the mix of two and three -story residential and commercial units that have defined the fabric of Sparkill for over a hundred years.

Important Features:

- Sparkill Mews will be a Net-Zero residential and commercial development – that is, it will produce more energy than it uses.
- New construction respects the scale and materials of Main Street, as well as utilizing architectural details of our own time such as generous, high-performance windows, solar panels and sustainable building materials.
- The site design incorporates the refurbished 106 year-old Chase bank building as part of the ensemble of the mews.
- Plantings, terraces, roof and vertical gardens will enliven both the interior and the public streetscape.
- Market rate apartments will add to the mix of available housing choices for the residents of Orangetown.

TOWN OF ORANGETOWN, ROCKLAND COUNTY
BID OPENING, ANALYSIS, CERTIFICATION, AND RECOMMENDATION

Dear Ms. Trocard:

In accordance with Chapter 14 of NYSDOT's Local Projects Manual (LPM), the Town of Orangetown has advertised, accepted bids, and completed the award process for the construction contract for the above-referenced locally administered federal aid project including:

- Advertised, at least 15 business days before the bid opening in the NYS Contract Reporter;
- Indicated the Disadvantaged Business Enterprise (DBE) goals in the ad;
- Opened bids and read them aloud in a public forum in accordance with standard competitive bidding procedures and requirements;
- Mathematically verified bids and determined if bids are responsive;
- Provided a tabulation of all bids received at a public bid opening (attached);
- Determined low bidder and, if applicable, the low bidder in accordance with approved alternate bidding procedures, if used;
- Evaluated responsibility of the low bidder in accordance with Section 14.4.1 of the LPM;
- Analyzed bids in accordance with Section 14.4.2 of the LPM (attached);
- Evaluated and ensured appropriate DBE participation by DBE firms listed on NYSDOT registry prior to award;
- Completed all outstanding items, if any, which were incomplete at the time Authorization to Proceed with Advertisement was issued (Right-of-Way, permits, Construction Management Plan, etc.);
- Submitted the Contract Award Documentation Package with the checklist, described in Section 14.7 of the LPM to the RLPL;
- All environmental permits and approvals have been secured except those identified in the contract documents as needing to be obtained and secured by the contractor;

Re: Orangetown Day Camp Scheduled July 7th – August 13th, 2021

Dear Mr. Gorton:

The day camp is expected and welcome to enjoy the park weekdays from July 7th – August 13th, 2021 between the hours of 7:30 am - 5:15 pm. We understand that the day campers will be supervised by adults. We have been informed in the past that the campers will not be on site for Independence Day and the day after. We ask you to provide the date(s) that the campers will not be on sight if necessary.

In the past, Mr. Mark Albert has been our contact for this and we are also aware that there is some setup and lead time that the camp counselors need for preparation and breakdown of their gear. Please provide their specific dates and any other requirements via email to me. See the attached trustee list for our contact information.

The Noble Ninth Inc is in receipt of this year's Insurance certificate showing the NN9 as additional Insured.

I am enclosing the board's 2021 roster and contact list should you or your agents need to speak to one of us or if you need to provide our contact information to your constituents. The 2021 NN9 park chairmen has yet to be announced. Recently our dear board member Mr. John Hegener passed away suddenly and we are in a transition period while we look to fill the gap from this loss. I will be your first contact and our president Jan Weinrich is the secondary.

Please forward this letter to all you feel need or require it. If you need anything else, please do not hesitate to reach out to me directly. My direct dial is noted above. It is a privilege to again host this worthy endeavor.

Michael Yannazzone
Chairperson
Orangetown Traffic Advisory Board

February 22, 2021

Dear Resident:

The Traffic Advisory Board (TAB) convened for a meeting on Monday, February 8, 2021, to discuss the recommendation of the Traffic Technical Advisory Committee (TTAC) for Physical Traffic Calming Measures to be installed on Livingston Street in Tappan. **(Please see enclosed map).**

The TTAC made the following recommendation:

- Install three (3) speed tables on Livingston Street

The TAB unanimously approved the Physical Traffic Calming Measures for Livingston Street. Prior to forwarding to the Town Board for approval, a petition signed by at least 75% of the total occupied households on the specific street that is the subject of the proposed traffic calming measures is needed for implementation. This petition will also be sent to Emergency Services for their review.

Please complete the form below and return to the above noted address or you may e-mail your approval or disapproval to akardon@orangetown.com. If you have any questions or need further information, please feel free to contact Allison Kardon, Clerk to the Orangetown Traffic Advisory Board at 845-359-5100 x2293, or e-mail her at the aforementioned e-mail address.

Very truly yours,

Michael Yannazzone
