A Message from the Supervisor

Although we have all been living through some extraordinary times, with the summer finally here and hopefully COVID-19 in the rearview mirror, there is no better time to get out and enjoy the beautiful outdoors right here in Orangetown.

While this year we still cannot offer all of the same programs that we have done in the past, our Orangetown Parks & Recreation Department has been hard at work to come up with a selection of fun family-oriented activities for children, adults, and senior citizens of all fitness levels. Led by Superintendent Aric Gorton, our staff's mission is to deliver quality, affordable programming in, what is more important now than ever, a safe and healthy environment.

I want to thank the entire Parks and Recreation Department for their continued hard work and dedication to enhancing the quality of life here in Orangetown.

As you read through this season's brochure, please mark your calendars with all the activities you and your family will enjoy. With an excellent line up of programming and hundreds of acres of parks and trails that the Town and Rockland County have to offer, we hope you will take advantage of everything right in your backyard.

Sincerely,
Teresa M. Kenny

Registration Policy

on-line registration

Please take the time to read the information carefully so your registration is correctly processed. All registrations require payment in full in order to be processed. When registering this Summer we highly recommend you sign-up to receive texts from our office which we will use only to release vital or fast approaching information. Your information will not be shared with any other organization. Online registration will end 3 days prior to the start of a program unless a program has filled up to allow for program administration decisions.

Since the Spring of 2019 the Office of Recreation and Parks has partnered with Community Pass as our recreation software package in order to better serve our residents. If you have registered with us over the last 2 years you already have an account. Our software contains all residential addresses in Orangetown, therefore, proof of residency will no longer be required. If you're a resident and your address is showing as a non-resident, please contact the recreation office by email as soon as possible. First time registrants may visit our website and click on the green on-line registration button in order to create a new household. The non-resident registration policy will still be in effect for non-resident households and they may only register 7 business days prior to the start of the program. The registration website is now located at www.orangetown.com/groups/department/parks and will be active at 5:00pm on **Wednesday, June 16th**.

Please check your email regularly for any emails regarding our programs All registrants are advised that many programs have limited availability and registration is accepted on a first come first served basis. To better serve you, it is recommended that you use and familiarize yourself with the on-line system. The on-line system now accepts all major credit cards and you will receive an emailed receipt upon successful completion of your registration. If you register after the start of a program, you will be required to show your receipt to the instructor.

mail-in/walk in

Mail in registration must be postmarked June 16th, 2021 or later. Mail received in this office postmarked prior to June 16th will be returned by mail to the registrant. Mail-in registration forms are available in the back of the brochure. Mail-in registrations will be processed as soon as possible. If your registration is approved, you will receive an emailed receipt. Registrants that have conflicts will receive an email advising you of your registration status as well as requesting any additional information.

Due to the ongoing pandemic, walk-in registration has been suspended at this time.

wait-lists

Many of our programs will fill up. When that happens our software package includes an electronic wait list. If you register and are placed on a wait list, if a spot opens up the recreation database will automatically send you an email inviting you to join the class.

The Town of Orangetown, Orangeburg, New York, advises the public, employees and job applicants that it does not discriminate on the basis of handicapped status in admission or access to, or treatment or employment in, its programs and activities.

Refund Policy: Refunds will be considered only for medical purposes upon presentation of a physician's certificate, except in cases where a program is canceled by the Office of Recreation and Parks. Credits will be issued only prior to the start of a program. Credits or refunds will not be considered after the start of the program. Cancellations less than 5 business days prior to the start of a program will be assessed a \$5.00 administrative fee

NON-RESIDENT POLICY

1. Non-resident registration will be accepted no earlier than 7 business days prior to the start of a program, provided there is availability.
2. Non-residents will be admitted on a restricted basis and only after Orangetown residents have had sufficient time to register.
3. Not all programs allow for Non-Resident participation.
4. Non-Residents are required to pay an additional 25% of the program fee.

Programs, dates and times are subject to change. All checks are made payable to the Town of Orangetown. Checks listing a Non-Orangetown address will not be accepted until 7 days prior to the start of a program. Refunds and or make-ups are not guaranteed for classes canceled due to inclement weather or school activities. All programs held at the South Orangetown and Pearl River School District facilities will be canceled during vacation periods and school holidays. School district programs will take precedence over regularly scheduled Orangetown Parks and Recreation programs. Make-ups and class information will be e-mailed to households as necessary. Please make sure you check the RPG e-mail address on the registration page when you sign in and if that information should change, please update your account as soon as possible.

  **Weather cancellations are posted on cancellations.com** 

Upcoming events, information and program announcements are now available on Twitter, Facebook and Instagram. Follow us on twitter @orangetownrec or Instagram @orangetownparks or like us on Facebook.

Corona Virus Guidelines

All youth and adult programming will include the most up to date New York State guidelines at the beginning of their class. Guidelines and procedures are changing daily. Registrants may need to follow procedures to protect all involved in our programs. Every staff member and registrant will need to pass through a medical screening tent prior to the start of each program. The screening will include a temperature check and the checking for any signs of flu like symptoms. Staff and registrants are also required to immediately inform the Orangetown Parks & Recreation Office if they test positive or come in contact with anyone testing positive for Coronavirus, as well if they develop any flu like symptoms. Mask wear will depend on whether the class is indoors or outdoors and could possibly depend on the Coronavirus vaccination status of the registrant.

Summer Concert Series

The following concerts will be held at Veteran's Memorial Park in Orangeburg at 7:45 PM, unless otherwise noted. In case of inclement weather, please visit our website, Facebook, Twitter or Instagram pages for weather announcements.

Family Movie Night & Children's Concert

The Orangetown Parks and Recreation Office will sponsor the twenty second Annual "Movie Night in the Park" at Veteran's Memorial Park in Orangeburg. Returning to the program this year will be The Uncle Brothers. The Uncle Brothers play music concentrating on important themes such as; anti-bullying, kindness, respect, smoking and drug awareness, and more. The Uncle Brothers are multi-award winning artists with multiple CD's to their credit. On Friday, July 30th, 2021, Big Wave International will be setting up a 20 ft by 24 ft movie screen, a giant video projection system with stereo surround sound for a return to the 60's and 70's when drive-in movies were popular. The night will also include jumpy slides provided by Bouncin Around Town of Blauvelt, a magic show as well as other events. Residents will be able to bring lawn chairs, blankets, and picnic baskets to enjoy a summer evening in front of the big screen. This program is free and open to all residents of Orangetown.

Family Night at the Movies

In the Summer we now move to Wednesdays to allow for our Summer Concert Series. We will show child/family friendly movies at Veteran's Memorial Park on a new 16' X 10' outdoor movie screen with a surround sound system. The movies will either be G rated or PG rated and pre-registration will be required. Movies will begin just after sunset and will run approximately 90 minutes. Some of the movies are listed below and future ones will be announced at a later time. Space will be limited and each family will get their own area to sit. In case of rain, the movies will be shown at a later date.

- July 7th – Despicable Me
- July 14 – Beauty & The Beast
- June 21st – Finding Nemo
- August 4th – Jumanji: The Next Level – Teen Night
- August 11th – Field of Dreams
(the night before the New York Yankees play in Iowa!)
- August 18th – Abominable

Veteran's Memorial Park Cost is \$3.00 per person with a maximum cost of \$12.00 per family. It is suggested that children be 2 years of age or older to attend. All family members must be registered. Family members must live in the same household.

The above events will be supported by our corporate partner for 2021, GoGo squeeZ. Free handouts of all the wonderful flavors of GoGo squeeZ will be offered at many of the above events.

Skyhawks Sports Camp Sampler

This one-day event will give your child a solid introduction to try multiple sports in one setting. This is a great opportunity for your child to check out a sport for the first time or learn some new skills associated with a sport they are already familiar with. The SkyHawks will be joining us again this year for summer sports camps and this will allow your child a chance to meet the staff. We will showcase four different sport stations - soccer, baseball, basketball and flag football - for your child to rotate through during the day. Please send your child with a water bottle! In case of rain this program will be canceled or rescheduled.

Monday through Friday

Beginning Golf

Skyhawks Golf focuses on building the confidence of young athletes by teaching proper technique to refine essential skills of the game. Golf is a challenging and lifelong sport, so young athletes need proper focus on the fundamentals of form, swinging, putting, and body positioning. To assist in this training, Skyhawks has adopted the SNAG (Starting New At Golf) system to its curriculum. SNAG utilizes a set of equipment designed for beginning golfers, including oversized plastic club heads and “mini tennis balls” to help build confidence and to have fun. Developed by PGA professionals, SNAG is specifically designed for the entry-level player; SNAG simplifies instruction so that young players can make an easy and effective transition onto the golf course. No need to bring your own clubs--all equipment is provided. We keep the instructor-to-camper ratio low, resulting in limited availability. These programs fill up quickly.

Mini-Hawk

This multi-sport program was developed to give children a positive first step into athletics. The essentials of baseball, basketball and soccer are taught in a safe, structured environment with lots of encouragement and a big focus on fun. Our Mini-Hawk games and activities were designed to allow campers to explore balance, movement, hand/eye coordination, and skill development at their own pace. Skyhawks staff are trained to handle the specific needs of young athletes.

Skyhawk Sports & Games

Our multi-sport camp is designed to introduce young athletes to a variety of different sports in one setting. For this program we combine soccer, baseball/softball, basketball, flag football, capture the flag and ultimate frisbee into one fun-filled week (each week will include 2 sports). Athletes will learn the rules and essentials of each sport through skill-based games and scrimmages. By the end of the week, your child will walk away with knowledge of multiple sports along with vital life lessons such as respect, teamwork, and self-discipline.

Mad Science and Crayola: Imagine Arts Academy

Summer 2021 Topics

BRIXOLOGY

Engineering Camp lays the foundation for our next generation of makers! Kids learn about different types of engineering and then team up to construct different engineering-themed projects using LEGO® bricks. They learn about aerospace engineering while assembling a space station. They explore mechanical engineering as they build boats and vehicles. That's not all...from carnival rides to drawing machines, mechanical animals to truss bridges, your future engineer will build upon their creativity to solve real-world design challenges, while developing their problem-solving and team-building skills. Take home projects are provided each day, which are brick-based and can be used with LEGO® bricks at home. Let the tinkering begin! **Appropriate for students entering grades 2 – 5**

CRAZY CHEMWORKS

During this action-packed camp kids explore chemistry in a safe manner. With spectacular hands-on activities and amazing demonstrations, kids will both learn and apply the concepts, tools and techniques of real chemists. Campers will start by learning lab techniques and safety procedures, and then use these to mix crazy concoctions and chemical combos. Kids even get fun lab gear to take home! **Appropriate for students entering grades 2 – 5**

N.A.S.A.

Set your future space explorers on a trajectory from our Earth's atmosphere to the outer reaches of our solar system! This hands-on program brings them closer to the stars, planets, comets, and more. They learn about living in space, getting away from gravity, and looking for space phenomena. Campers also build and launch their own rockets! This camp was developed in partnership with NASA. **Appropriate for students entering grades 2 – 5**

NATURE ADVENTURE

Explore the natural world and the adaptations that allow birds and beasts to thrive. There is a new and different fun take-home project each day. Make plaster casts of animal tracks. Learn how animals protect themselves: survive icy cold like a polar bear and dissect oysters to see how they resist an annoying itch. Study the feeding habits of owls and look at the animal bones they leave behind. **Appropriate for students entering grades 2 – 5**

SCIENCE EXPLORERS

This is Mad Science's super science sampler - explore the world of science with a different set of fun science topics each day. Campers will experiment with super-strong magnets and have a "hair-raising" experience while learning about electricity. They will play tricks on their senses by experimenting with their taste buds and manipulating sound waves. Kids will investigate light waves, explore the properties of color, and then baffle their eyes by exploring optical illusions. They will also play with cool science toys and figure out how they work and analyze the amazing properties of slime. Projects that campers will make and take home include a periscope, an electric Newtonian color wheel, floating magnets, a static electricity stick, a superball, a color-changing "heat sheet", and more!

Appropriate for students entering grades 2 – 5

SCIENCE MYSTERIES & FANTASTIC FORCES

This super science sampler lets kids investigate several science topics each day with cool take-home projects. Kids will be engineers, chemists, and stunt pilots! Your Mad Scientists will be shocked by what they learn about electricity, blown away by their experiments with air pressure, and use simple machines to build a rocket car.

Appropriate for students entering grades 2 – 5

SECRET AGENT LAB

Calling all agents! This camp is part forensics and part “spy science”. Step into the shoes of a detective—uncover the science involved in evidence gathering and analysis. Students will create, collect, and analyze evidence and discover what skills are necessary as a crime scene lab technician. They examine clues and get hot on the trail of a culprit, and then connect the dots using science to help solve a crime in a hands-on investigation. From edible messages and decoding clues, students will have the opportunity to check out some of the skills that spies must master as they journey into the world of espionage. Take home projects include an ultraviolet Fingerprint Finder kit, Spyglasses that let you secretly watch people who are behind you, Spy-noculars, a Secret Code Breaker, and an Inspecti-kit for evidence collection.

Appropriate for students entering grades 2 – 5

PEE WEE TENNIS CLUB

ORANGETOWN WALKING CLUB

As we age, muscles become shorter and lose their elasticity. Stretching and walking is an excellent way to relax and relieve tension. It becomes very important for adults and seniors to maintain range of motion and the ability to move all joints normally during your daily activities. This class will include static and dynamic stretching for all levels of fitness. This program will also allow for use of the ¼ mile track around the complex that will include light aerobic and additional stretching exercises. This class will be lead by fitness enthusiast Bob Hudson. This class will meet from time to time at other walking sites such as the Joe Clarke Rail Trail to introduce students to other venues in town. A schedule will be handed out at the first class.
