# *A Message from the Supervisor*

Another summer is in the books, and we can now turn our attention to the fall season that will soon be upon us. After multiple heat waves this summer, if you are anything like me, you will be looking forward to the crisp mornings and slightly chilled evenings. And, with the colder days and shorter daylight hours, the colors on the trees will soon start changing, giving us all an opportunity to enjoy the beautiful fall foliage in and around the Orangetown Parks.

As always, I want to thank the Orangetown Parks and Recreation Department for keeping our parks and other outdoor amenities safe for everyone, as well as assuring that the Town offers a wide variety of programming. From well-organized sporting programs to recreational classes, Orangetown provides a wide selection of fun family-oriented activities for residents of all abilities. Our goal is to deliver quality, affordable programming within a safe environment to meet the needs of an ever-changing community.

I encourage residents to look through the Fall Brochure to find an activity that meets their interest.

Sincerely,  
**Teresa M. Kenny**

# Let's Get Started

## GETTING READY FOR YOUTH SPORTS PROGRAMS

Children ages 4 & 5 and their parent(s) will work collaboratively in a supervised setting to develop the skills considered basic to formal participation in sports: catching, throwing, kicking and batting. This program will provide an opportunity for the parent(s) to participate with their child in activities carefully designed to enhance development of perceptual-motor skills which are important stepping stones to involvement in many types of organized athletic programs. Training activities will be presented in a developmentally sequential manner such that participants will be required to master each of the four skills at easier performance levels before attempting more difficult ones. This approach is designed to maximize opportunities to achieve success and contribute to development of confidence and enjoyment of athletic involvement. This program is for first time participants only and has limited enrollment.
