

Orangetown Day Camp

WELCOME TO ORANGETOWN DAY CAMP

Welcome to the last week of Orangetown Day Camp (ODC). We have had so much fun this summer with swimming, trips, games and magic shows. Thank you for letting us get to know your campers. We look forward to seeing everyone again next year!

This week we will be tie-dying. Please have your child bring in a plain, light colored shirt on Monday in a large zip-lock bag with their first and last name written on it. We will be wearing these shirts on Friday.

The Camp Director is Amy Sanchez. She can be reached by email at, Asanchez@orangetown.com. Our Assistant Directors are Bailey Domenick, Sara Domenick, Craig MacDonald and Andrew Sanchez. If your child is absent or if you have a question, please call the main phone line at (845) 359-9327, or the camp cell at 845-521-0572. In case of an emergency, if you cannot reach camp, please call the Orangetown Recreation Office between 8:00am and 4:30pm @ (845) 359-6503.

ODC has many activities and trips planned this week. These include Jill's Ceramics, mini golf, Funplex and Paul the Magic Man. We will also be going swimming. Please have your child bring a bathing suit and towel every day to camp. If your child is swimming in the morning, please have them wear their bathing suit to camp in the morning.

In the event of inclement weather, or as a break from the heat, campers may also be taken to St. Thomas Aquinas College. Parents will be notified by email.

Kangaroo Swirls will be returning to camp this summer each week. All of their ice-cream is from Rich's Brand, which is nut and allergen free.

All trips required pre-registration before the start of the camp session. On days that your child is going on a trip please have them wear their camp shirt. Campers will remain in their assigned groups with their counselors for all trips. All trips will leave and return from the German Masonic Camp Grounds.

These trips were optional for the full day campers only. ODC will have a regular camp day for all other campers.

The camp newsletter will be emailed home the week before each camp session. Any additional information that is added to a session will be emailed as well as placed in the Orangetown Day Camp folder on our website. Please check your email regularly in case of updates. We also ask that you sign up to receive texts from us in case of last minute updates. To sign up for this feature please visit your Community Pass account and click on Account Information.

We have an amazing team of specialists that will keep your camper engaged and happy this summer.

CHALLENGE

The specialist for our challenge is Gianna Savattieri. Campers will be running an obstacle course and playing noodle tag.

CRAFTS

The specialist for our craft activities is Jenny Hubert. This crafty creator will be tie-dying shirts and making medals.
